### Killinger Lathes - UK Price List - Valid from 1st August 2017

Ref.	Description	List GBP (£) ex VAT	List GBP (£) inc VAT (20%)
<b>Woodturning Lathes</b>			
Woodturning lathes have M33 x 3.5 mm threaded spindle bored 2 MT; tailstock bored 2 MT and are supplied complete with 4-prong drive centre; live tail centre, knock-out bar; 350mm cast iron toolrest (30 mm toolpost diameter); User's Manual. The lathe headstock is fully free to swivel and traverse the lathe bed for optimum positioning to suit any job (except KM1400SE - swivelling only). Warranty 2 years on mechanical parts and 1 year on electrical/electronic parts.			
<b>KM1400SE</b>	Woodturning lathe, bench-mounted, electronic variable speed with 3-position belt pulley drive giving 60-3125 rev/min. 760 mm centres, centre height 180 mm (360mm swing), inverter with 230 volt 1 Ph. Power supply, 0.75 kW (1 HP) motor.	£ 1,396.83	£ 1,676.19
KM1400STD	Cast iron floor-mounted stand for use with KM1400SE/KM1450SE lathes	£ 317.46	£ 380.95
KM1400EXT	450mm lathe bed extension for use with KM1400SE lathe.	£ 209.52	£ 251.43
KM1400BTA	Outboard bowl turning attachment, with support leg, for use with KM1400SE lathe, giving bowl turning capacity with headstock swivelled of approx. 620mm diameter.	£ 323.81	£ 388.57
KM300	KM300 copying attachment for use with KM1400 lathe. 1000mm capacity: requires lathe to be fitted with bed extension.	£ 2,196.83	£ 2,636.19
<b>KM1450SE</b>	Woodturning lathe, bench-mounted, electronic variable speed with 3-position belt pulley drive giving 40-3035 rev/min. 715 mm centres, centre height 200 mm (400 mm swing), inverter with 230 volt 1 Ph. Power supply, 1.5 kW (2 HP) motor.	£ 2,044.44	£ 2,453.33
KM1400STD	Cast iron floor-mounted stand for use with KM1400SE/KM1450SE lathes	£ 317.46	£ 380.95
KM1400EXT	450mm lathe bed extension for use with KM1450SE lathe.	£ 209.52	£ 251.43
KM1450BTA	Outboard bowl turning attachment, with support leg, for use with KM1450SE lathe, giving bowl turning capacity with headstock swivelled of approx. 660mm diameter.	£ 323.81	£ 388.57
KM300	KM300 copying attachment for use with KM1450 lathe. 1000mm capacity: requires lathe to be fitted with bed extension.	£ 2,196.83	£ 2,636.19
<b>KM1500SE</b>	Woodturning lathe, bench-mounted, electronic variable speed with 3-position belt pulley drive giving 40-3035 rev/min. 1100 mm centres, centre height 200 mm (400 mm swing), inverter with 230 volt 1 Ph. Power supply, 1.5 kW (2 HP) motor.	£ 2,222.22	£ 2,666.67
<b>KM1500SES</b>	Woodturning lathe, with integral floor stand, electronic variable speed with 3-position belt pulley drive giving 0-2900 rev/min. 1100 mm centres, centre height 200 mm (400 mm swing), inverter with 230 volt 1 Ph. Power supply, 1.5 kW (2 HP) motor.	£ 2,615.87	£ 3,139.05
KM1400EXT	450mm lathe bed extension for use with KM1500SE lathe.	£ 209.52	£ 251.43
KM1500BTA	Outboard bowl turning attachment, with support leg, for use with KM1500SE lathe, giving bowl turning capacity with headstock swivelled of approx. 660mm diameter.	£ 323.81	£ 388.57
KM300	KM300 copying attachment for use with KM1400 lathe. 1000mm capacity.	£ 2,196.83	£ 2,636.19
KM500	KM500 transverse copying attachment for use with KM1500 lathe, for faceplate work (bowls, platters up to 600mm diameter - dependent upon lathe capacity))	£ 1,460.32	£ 1,752.38
KM350	KM350 transverse and logitudinal (up to 340mm) copying attachment for use with KM1500 lathe	£ 1,561.90	£ 1,874.29
<b>KM3100SE</b>	Woodturning lathe, with integral floor stand, electronic variable speed with 3-position belt pulley drive giving 40 3025 rev/min. Bowl turning configuration with 850 mm between centres, centre height 280 mm (560 mm swing); inverter with 230 volt 1 Ph. Power supply, 2.2 kW (3 HP) motor.	£ 4,469.84	£ 5,363.81
<b>KM3100SE1</b>	Woodturning lathe, with integral floor stand, electronic variable speed with 3-position belt pulley drive giving 40 3025 rev/min. 1540mm between centres, with third support leg, centre height 280 mm (560 mm swing); inverter with 230 volt 1 Ph. Power supply, 2.2 kW (3 HP) motor.	£ 4,990.48	£ 5,988.57
<b>KM3100SE2</b>	Woodturning lathe, with integral floor stand, electronic variable speed with 3-position belt pulley drive giving 40 3025 rev/min. 2330 mm between centres, with fourth support leg, centre height 280 mm (560mm swing); inverter with 230 volt 1 Ph. Power supply, 2.2 kW (3 HP) motor.	£ 6,107.94	£ 7,329.52
KM3000BTA	Outboard bowl turning attachment, with support leg, for use with KM3100SE lathe, giving bowl turning capacity with headstock swivelled of approx. 900mm diameter.	£ 323.81	£ 388.57
KM300	KM300 copying attachment for use with KM3000 lathe, for the more comitted user. 1000mm capcity.	£ 2,196.83	£ 2,636.19
KM500	KM500 transverse copying attachment for use with KM3000 lathe, for faceplate work (bowls, platters up to 600mm diameter - dependent upon lathe capacity))	£ 1,460.32	£ 1,752.38
KM350	KM350 transverse and logitudinal (up to 340mm) copying attachment for use with KM3000 lathe	£ 1,561.90	£ 1,874.29

E & O E

NB: Prices quoted are FOB Didcot, Oxon, UK, from where lathes may be collected.
